Government Proceedings No. G. 11438-44—Sany. 30-26-7, dated 10th April 1928, passing orders about the establishment of a Land Mortgage Bank at Bangalore and directing that the duties of general supervision and control over the operations of the Bank be entrusted to an officer to be designated Director of Land Mortgage Banks.

2. Government Order No. G. 13109-28—Sany. 81-27-1, dated 22nd May 1928, appointing the Director of Industries and Commerce as the Director of Land Mortgage Banks also and requesting him to take necessary further action for the establishment of the Land Mortgage Bank at an early date.

ORDER No. G. 12698-716—SANY. 21-28-15, DATED 12TH APRIL 1929.

The Director of Industries and Commerce who under the second order read above has been entrusted with the work of organising the Land Mortgage Bank has taken some considerable preliminary action in the matter, but Government consider that on account of the heavy duties of his own Department, he cannot devote as much time to the work relating to the Land Mortgage Bank as its importance and urgency require. Government also consider that in response to the general desire expressed by the Members of both the Legislative Council and the Representative Assembly, the scheme should be brought under the Mysore Co-operative Societies Regulation and the institution placed under the control of the Registrar of Co-operative Societies. As, however, the Registrar also has his hands full just as the Director of Industries and Commerce, Government consider it necessary to appoint a whole-time officer for the purpose of organising and supervising the work. They are therefore pleased to create the appointment of a Deputy Registrar of Co-operative Societies to help the Registrar in connection with the Land Mortgage Banks. The appointment is sanctioned for a period of two years in the first instance. This officer will work under the general control of the Registrar, but will be responsible for all the details connected with the work.
